

## AMERICAN ASSOCIATION OF DENTAL CONSULTANTS

DEDICATED TO SERVING PATIENTS, THE PUBLIC, PURCHASERS OF HEALTH BENEFITS, AND THE PROFESSION OF DENTISTRY.

### ANNUAL MEETING WORKSHOP WAIVER REQUEST FORM

**Requirement:** Certified Dental Consultants (CDC) are required to attend a rolling three of consecutive five Workshops to retain their certified status. This requirement must be met unless the AADC Board of Directors has approved a waiver request.

In the event of illness or other extenuating circumstances a Certified Dental Consultant may petition the Board for an extension of one year. This form must be completed and e-mailed to the Chairman of the certification committee (Dr. Linda Vidone: [lvidone@yahoo.com](mailto:lvidone@yahoo.com)) no more than 30 days after to the Annual Meeting Workshop at which attendance would have been required. (Note waiver requests are limited to once per lifetime per CDC)

(Note: In May 2016 The AADC Board of Directors defined "Attendance of AADC Workshop" as requiring presence for at least two days of a Workshop.)
